Dear Madam,  
And Good Day.

God Blessed you.

The WARDEN failed to CARRY out the  
Court Orders Correctly.

The Administrative Ordered 20% of  
any Incoming money entered my account  
must be deducted.

The Warden should freeze my account,  
and take out 20%, then release my account.  
Instead of him doing this, He FROZE or Freeze  
my account permanently. Now I can't go shop in

Madam, Please! Could you have the WARDEN Release my Account, so I AM able to go shopping; like the Rest of Inmates in this prison. I need the Basic items like toothpaste, lotion, soap and Deodorant, ~~but~~ I can't purchase these items, unless the WARDEN Release the freeze off my Account

The Deputy WARDEN has send me a threatening letter telling me that he was going to freeze my Account until the whole \$300 is paid off.

The warden did not do exactly what he was told in the Administrative Order

<sup>WARDEN</sup> She has failed to Carry out the court orders properly. He has also CARRYING A chip on his shoulder for me, because I have filed a Civil Complaint With the Court against the YORK County Prison.

Please! Madam Could you Respond to the WARDEN, AS soon AS POSSIBLE, I would be thankful. Your Respectful
